MALCOLM R. HARVEY

## MALCOLM R. HARVEY

Malcolm R. (Mal) Harvey, of 3435 Devon Brook Drive, Bloomfield Hills, Mich., is 56 years of age and currently president of the North Central Region. Mal is a Railway Mechanical Engineer from the University of Illinois, served with the Military Railway Service during WW II in the shops of the Missouri Pacific, D&RGW and Union Pacific. He was a Research Project Engineer and Laboratory Manager for Pullman Standard Car Manufacturing Co.; Manager of Business Operation for the Bendix Corporation; and currently is a Management and Engineering Consultant for several engineering and service corporations. Built his first layout (tinplate) in 1926 and scratch-built his first scale model in 1932. Mal has received four First Place Awards in national contests of the NMRA, the **Railroad Model Craftsman Award,** the Brass Lantern Award and the 40th Anniversary Award of the **Model Railroader Magazine.** He has been a member of the Detroit Model Railroad Club since 1955 and has served as President for twelve years. He is president of NTRAK, president of NTRAK-Central and National Coordinator NTRAK for the NMRA Dayton and Chicago conventions.
